SUMMARY

I run social media, reels and Meta ads for Zippi, a ride-hailing startup, alongside operations work and some app development. Before this, I did freelance and intern digital marketing work, including B2B email campaigns, SEO and lead generation. I have also been a photographer since 2019.

SKILLS

Marketing: Social media management, Meta Ads, email campaigns (SendGrid), SEO (on-page and technical), Google Search Console, Google Analytics, funnel analysis

Content: Instagram reels, flyers, and promotional creatives; promotional videos (Remotion, Instagram Edits)

Operations: Customer and partner onboarding, lead follow-up and conversion, document verification, cross-team coordination

Photography: Event and portrait photography

Technical: WordPress, Elementor, Flutter, Laravel

EXPERIENCE

Zippintella Pvt. Ltd. (Zippi) Feb 2026 – Present

Mobile Application Developer and Operations Jun 2026 – Present

- Grew Zippi's Instagram (@zippi_official) from about 100 to 600 followers in 4 weeks.
- Ran Meta ads, and made flyers and promotional creatives to get more customers and Sheros (driver-partners).
- Handled customer and Shero onboarding, lead follow-ups, and issue resolution; converted qualified leads into Sheros through structured follow-ups.
- Verified driver-partner documents during onboarding, including driving licence, Aadhaar, vehicle RC, and background checks.
- Coordinated across teams to resolve customer, driver, and app-related issues.
- Worked on Zippi's Flutter apps and Laravel backend, including a bike ride-hailing app and a school bus transportation app.

Operations & Community Engagement Intern

Feb 2026 – Jun 2026

- Managed social media campaigns and content strategy for the Zippi platform.
- Created Instagram reels and promotional videos using Remotion, along with marketing creatives.
- Supported SEO, website updates, and community engagement, and verified driver-partner documents during onboarding.

CloudQA

2025 – 2026

Digital Marketer (Freelance)

- Planned and ran 5 B2B email campaigns on SendGrid with a 40% open rate, using audience segmentation and subject-line A/B testing.
- Managed Google Search Console (sitemaps, indexing) and optimized WordPress landing pages for SEO.
- Supported funnel analysis to guide data-driven decisions and improve lead quality.

Prophecious Technologies

2023 – 2024

Digital Marketing Intern

- Supported lead-generation campaigns, did keyword research, and maintained website content on WordPress.

PHOTOGRAPHY

Pixel with Praneeth

2019 – Present

- Event and portrait photography under the name Pixel with Praneeth (Instagram: @pixel_with_praneeth).
- Publication Head, Click Cadets photography club, Anurag University; led the Daksha 2K23 university photography team.
- Runner-up, inter-college photography competition, Anurag University.
